MD Class 4-7 Bus Replacement	2	16	\$ 5,343,945.00	\$ 3,247,690.40	\$ 3,242,496.40	\$ 5,194.00
Light-Duty ZEV Infrastructure	9	17	\$ 11,657,135.00	\$ 11,657,135.00	\$ 11,357,135.00	\$ 300,000.00
Total			\$ 66,730,987.52	\$ 22,835,733.76	\$ 22,442,539.76	\$ 393,194.00

Project Action Title	Project Status
Maryland's Dray Truck Replacement Program	\$558,019.50 of the \$571,676 budgeted has been disbursed to reimburse for the purchase of 18 drayage trucks for use at the Port of Baltimore using the DERA Option. The remaining funding for this program are expected to be disbursed by the end of 2022, with an expected project termination date of December 2022. There are no modifications during this reporting period.
Maryland's Alternative Fuel School Bus Program	\$1,244,017.98 of the \$2,544,421 budgeted has been disbursed for reimbursement of three electric school buses and associated charging infrastructure under this program. MDE expects the majority of remaining funds to be disbursed by the end of 2023 as more jurisdictions finalize their alternative fuel purchases, with an expected project termination date of December 2023. There are no modifications during this reporting period.
Maryland's State Agency Project (EMA-3)	The total budget of \$3,838,000 has been disbursed to purchase two new Tier 4 Near-Zero emission locomotive owned by Canton Railroad. This Eligible Mitigation Action is complete.
MD Class 4-7 Bus Replacement	\$3,242,496.40 of the \$5,343,945 budgeted has been disbursed to reimburse for the purchase of 24 of the 39 new shuttle buses identified in this project's D-4 certification. MDE expects the remaining funds to be disbursed throughout calendar year 2023, with an expected project termination date of December 2023. There are no modifications during this reporting period.
Maryland's State Agency Project (EMA-4)	\$317,720 of the \$522,675 budgeted has been disbursed to reimburse for the repower of one of the old diesel marine vessel engines with a new Tier-4 diesel marine engine. MDE expects the remaining marine vessel to be repowered in 2022, with an expected project termination date of December 2023. There are no modifications during this reporting period.
Maryland's Freedom Fleet Program (EMA-2)	\$178,229 of the \$524,641.97 budgeted has been disbursed to reimburse for the purchase of an electric shuttle bus. The remaining funds for this program are expected to be disbursed by the end of 2022, with an expected termination date of December 2022. There are no modifications during this reporting period.
MD Transit Bus Replacement Program	\$526,038 of the \$5,519,804 budgeted has been disbursed to reimburse for the purchase of one transit bus in Ocean City Maryland. MDE expects the majority of the remaining funds to be disbursed by the end of 2023 due to supply line constraints and other funding issues. There are no modification during this reporting period.
Light-Duty ZEV Infrastructure	\$11,357,135 of the funding for light-duty Zero Emission Vehicle Infrastructure was transferred to a Wilmington Trust disbursement account to facilitate the payment for projects awarded under Maryland's Charge Ahead Grant Program and Electric Corridor Grant Program. To date, over \$315,000 has been distributed to awarded projects.
Maryland Diesel Marine Engine Replacement	\$96,644.88 of the \$546,612 budgeted has been disbursed to reimburse for the purchase and installation of a two new Tier 3 diesel marine engine in the Ocean Princess marine vessel. The remaining funds are expected to be disbursed by the end of 2024. There are no modifications during this reporting period.
MD Class-8 Vehicle Replacement	\$527,694 of the \$1,332,450 budgeted has been disbursed to reimburse for the purchase of 30 of the 64 new class-8 diesel trucks identified in this project's D-4 certification. MDE expects the remaining funds to be disbursed throughout calendar year 2023, with an expected termination date of December 2023. There are no modifications during this reporting period.
MD Class 4-7 Vehicle Replacement	\$644,475 of the \$3,247,690.40 budgeted has been disbursed to reimburse for the purchase of 6 of the 153 diesel trucks identified in this project's D-4 certification. MDE expects the remaining funds to be disbursed throughout calendar year 2023 and 2024, with an expected termination date of December 2024. There are no modifications during this reporting period.
